

FEEDLINE

BULLETIN OF THE CANTON AMATEUR RADIO CLUB
Affiliated with the "American Radio Relay League"

AUG 15 1961

In this issue of the Feedline we would like to introduce one of the oldest yet one of the youngest members of the Canton Amateur Radio Club, Inc. William Number Eight Ham Radio or Henry Robert whatever your phoenics. His interest in radio started away back in 1913 - having played around with land telegraph on the railroad before that, when attending the Academy at Canandaigua N.Y. he and several of the boys built a KW spark and operated on 160 meters they hoped - Was married in Canton in the early part of 1917 to Victoria Lewers. 1917 and 1918 served under our last president, then a Lt. Col. as a Tank Commander in the heavy tank division.

First licensed in 1919 with the call of W8BHM in Canandaigua, N.Y. also operated at Eastman School of Music, Rochester, N.Y. W8HR. Moved to Canton again in 1925 and was given the call of W8HW, absent when the license expired so - - - call changed to W8DFR. QTH Bedford S.W. this call was held untill 1941 when second world war came along. (silent key) untill 1961 when he emerged from the moth balls with new equipment and the call of W8HR that he used so many years ago, who says the FCC is not human or is it just one of those things that happen without a reason, he is thankful which ever way it was.

Rob-Roy or Pop-Roy as he is known to all his sports car and amateur friends is labeled as a DX hound, operating on 14,210 AM and in the CW portion of the band, spending equal time on both. but never to busy to jump to 28.8 section to rag chew with the local club members - but, he says NO 15 untill some of the neighbors get new TV sets, the old sets with the 21 meg I.F.trans. just don't seem to survive the battle. We hear by the grapevine that he contemplating higher power, the antenna portion consists of a Tri-band vertical and a 5 element tri-band Telrex beam. a 40 M vertical.10-15 and 20. operated. and by what we hear they really put out - at least thats what the boys in Europe, Asia and Africa tells us.

Oh! yes,we found out from his XYL that he is 68 years young. Who says that you can't teach an old dog new tricks? Well, all-but the SSB, we hear that after one week it found its way up on the back of the shelf, not on the table where you see it in the picture. Rob-Roy lives at 1124 Prospect Ave. S.W. having moved there from 718 Bellflower early this year.

Meet with the Canton Amateur Radio

Club, Inc. Meetings on the first and third Wednesday of each month; Red Cross Bldg., 123 Third St. SW.

We will probably be out of town about the time the September FEEDLINE shud be in the mail. So we would like to remind you that September is election month. If you have a copy of the new by-laws, please read paragraph II and III: "Officers of the club, President, Vice-President and Secretary-Treasurer shall be elected for one year or until their successors are elected and installed."

"There shall be elected from the active members of the club, six trustees who with the officers named in BY-LAW II, herein, shall constitute the Board of Trustees."

"Two will be elected for one year.

Two will be elected for two years,

and Two elected for three years."

With our large membership, we should have plenty of hats in the ring.

+++

NIAGARA FALLS N.Y.

Niagara Radio Club of Niagara Falls, N.Y. are holding their first ARRL convention, SEPT. 15, 16 and 17.

A big 3-day program is planned, so if you would like to go and desire more information, call 455-8282

++++

Red Cross affiliated Amateur Roundup, September 10, 1961, 1800-2400 GMT.

Frequencies: 3550, 3875, 7100, 7250, 14050, 14225. The 15, 10 and 6 meter bands will also be used.

+++

Don't worry about your station in life. Somebody will be sure to tell you where to get off.

===

Remember--the tongue is in a wet place, and is liable to slip!

HAM HASH

Vacations have taken many of the local hams to all corners of the USA and into Canada.

K8JZN and family have returned from a two-week Florida trip.

W8YAB and his XYL, Flo, have returned from a three-week vacation to the west coast. Their itinerary took them through most of the scenic places of the west. If Flo was able to fly low enough--and keep the little man awake, there should be a FB movie on sked for this winter.

W8GAB, W8FMW and Bullet were up in Canada fishing for eight pound sardines.

Marie and Charles Hardin (K8NSL) have a new second harmonic, Linda Joyce. Congradulations to the Hardins!

Carl Talkington has his novice ticket, KN8DIP.

Down Navarre way, Forrest Thompson is KN8AHB. Forrest has a DX-20 es HQ170--is a brother of K8QNT.

Paul Snyder came up with a FB call, W8ABC.

A couple of our novices have turned general! Weston (Ike) Heiks K8YLK es K8VLU now share the same rig.

Rod Huron K8UKH, also received his general and is working a few on 10. These boys did A-OK at Lancaster.

Well, the old stork put on his spectacles--said, I will see that K8LBZ gets a package C.O.D."

So he delivered a girl, their fourth harmonic! Congradulations to Jan and John. Thanks, Jan, for typing out By-Laws.

K8SWE has a new SX-101 and W8TUY a Drake 2-B SSB???

The combined efforts of several club members paid off at the July 5 meeting when Wilson Weckel, W8AL, as Sec'y of the Ohio Council of Radio Clubs, presented the club with a trophy. The trophy was in recognition of the club's standing in the recent Sweepstakes.

Never argue with a woman when she is tired. And never, never argue with one when she is rested!

Mr. DX, Robert (Bob) Jones and his XYL Virginia have been visiting and vacationing in the Canton area the past few weeks. Bob now holds the calls KR6JH and W6EDG but soon will have a W-3 call as he will be stationed in Washington for a couple of years. Bob and his family recently returned from duty on Okinawa and the Philippine Islands. We are looking forward to seeing Bob and Virginia more often, now that they will be close to home. When in Canton, going to school, Bob held the call W8LYZ--many old timers will remember him playing checkers on CW and keying with his foot.

+++++

Sign in front of a marrying Justice of the Peace:

"You furnish the bride, we'll do the rest!"

Bashful bridegroom: "That's hardly fair."

+++++

A commercial:

For sale, Sixer, FB shape, \$40.00

RCA general coverage recvr, \$25.00

K8QAI, George Peck, 916 6th St. NW.

George also has a quantity of 866-A's at 50 cents each, used.

NOTICE

Get your ARRL membership and QST subscription through the club. The secretary will have application cards available--be sure to get your receipt.
